**Tame your goose bumps** as you traverse the Burma Loops Bridge, Charlie Chaplin Walk, Flea Jump, Heebie-Jeebie and eighteen other 'rope' crossings as high as 40 feet above the ground in this unique recreational experience on the Bellevue Challenge Course. The thrills and challenges, plus a safety harness and some encouragement, will provide a memorable experience to share with your friends and family. You'll go home refreshed and with more self-confidence. This is a great outdoor activity for individuals, families, neighbors, co-workers or for any group. Min 9/Max 18
